# TOY STORY

PENGUIN KIDS

**This is Woody. He is Andy's favorite toy.  
He is wearing a sheriff's hat and  
a sheriff's badge.**

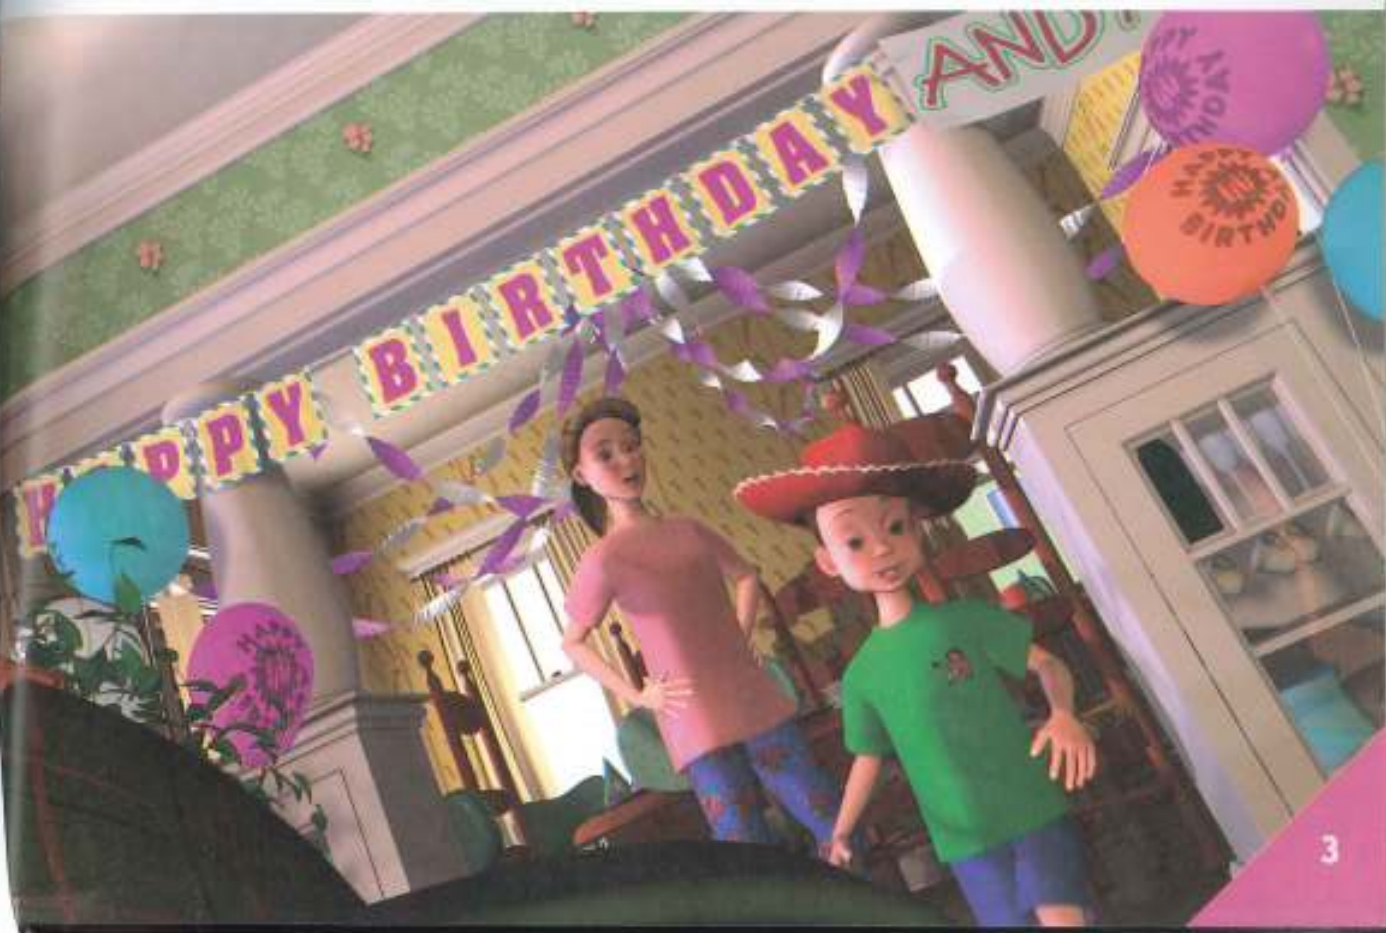

Andy has lots of interesting toys.  
He plays with them every day.  
Some of them are funny animals.

Today it is Andy's birthday.

"Happy birthday, Andy!" his mother says.  
"The room is ready for your party now."

**Andy's friends bring lots of presents.**

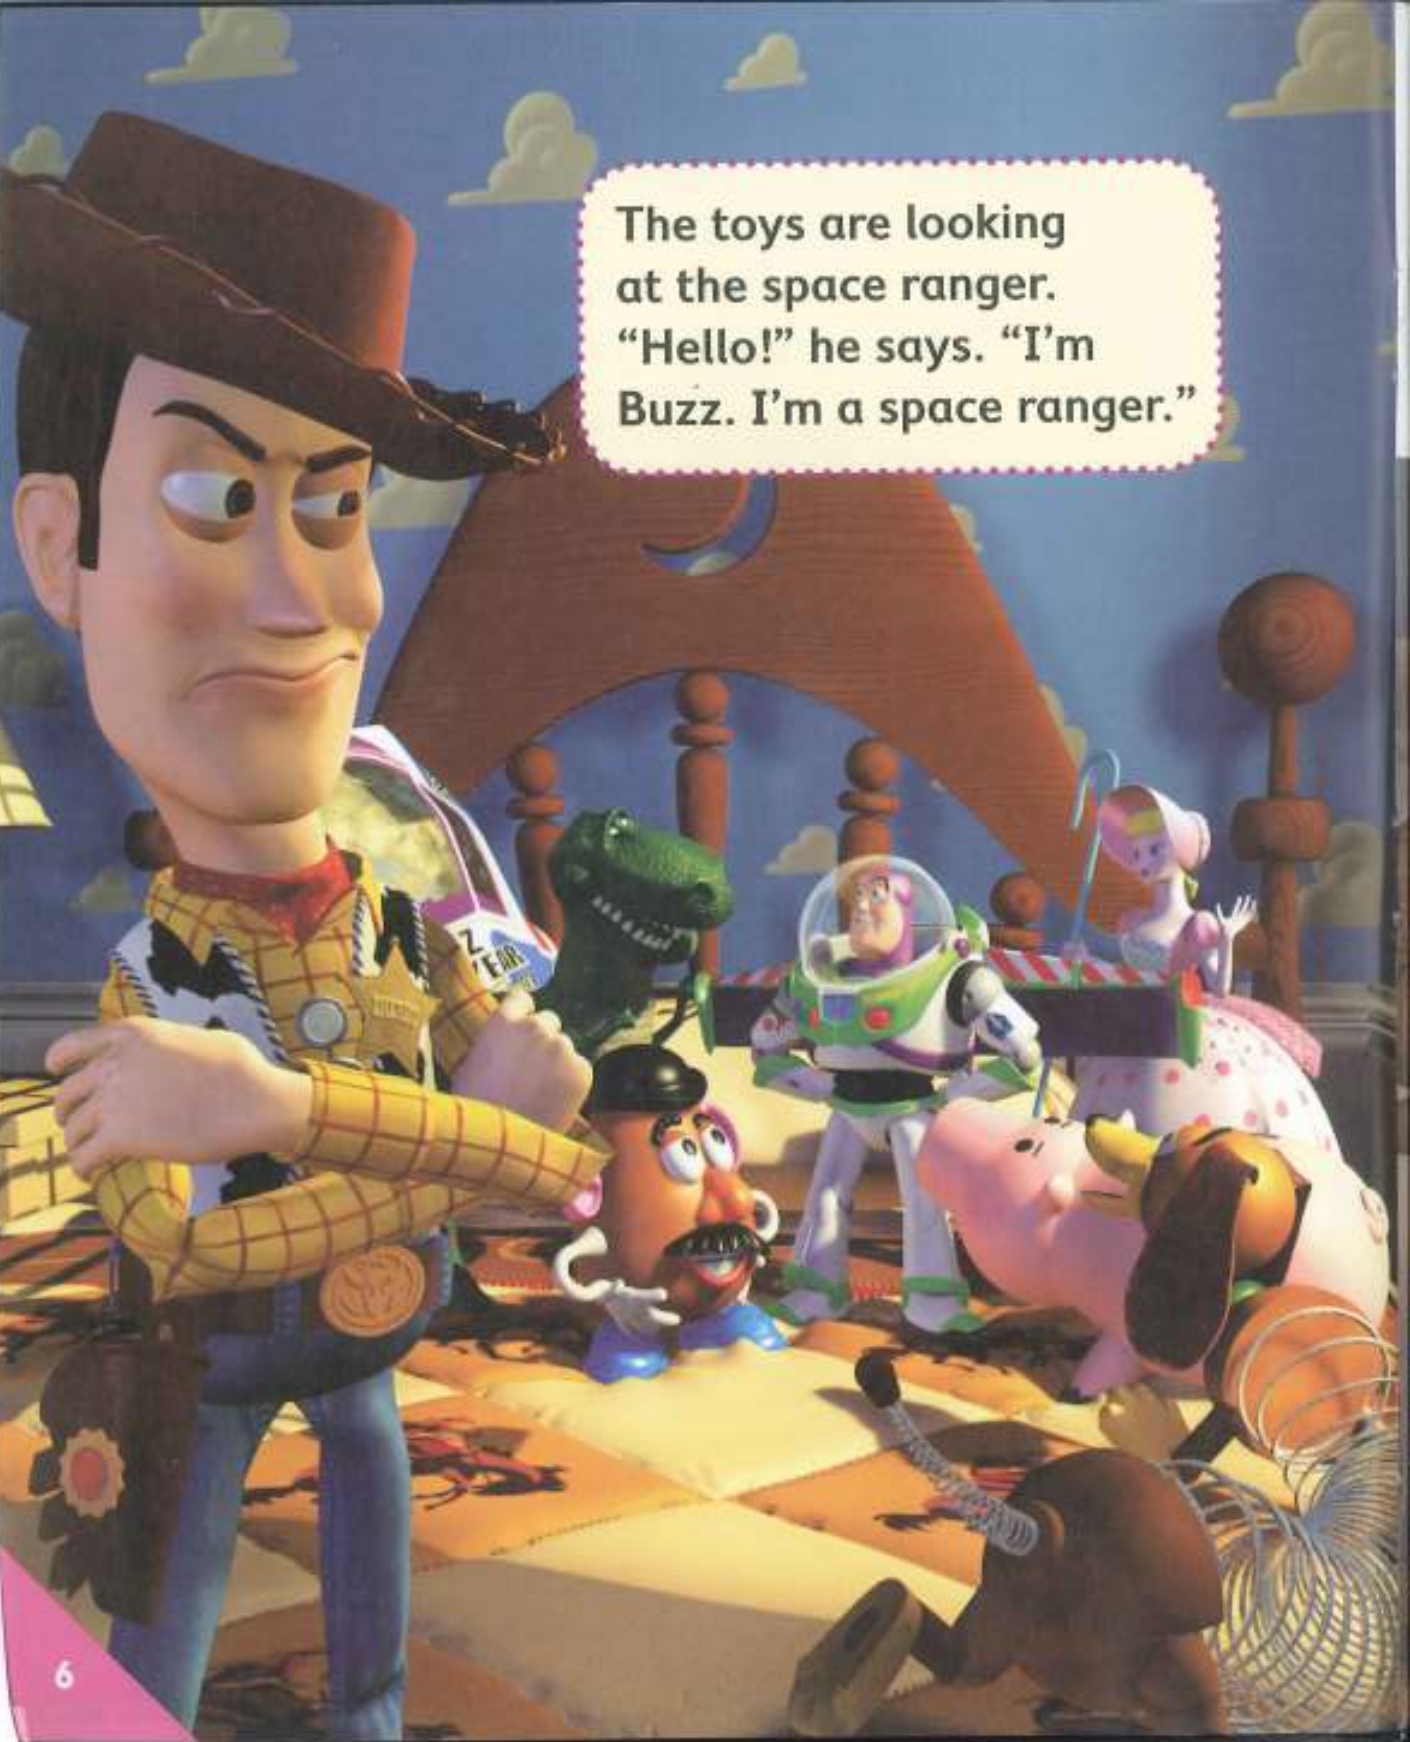

**Andy is very excited.**

**Does he get a bicycle, a toy plane, or a toy car?**

What is this present?  
It is not a car. It is not a plane.  
It is a space ranger toy!

A scene from the movie Toy Story. Sheriff Woody, wearing his signature brown cowboy hat and yellow plaid shirt, stands in the foreground with a serious expression. He is looking towards a group of toys in the background. The toys include Buzz Lightyear in his green and white space suit, Mr. Potato Head with a mustache, Mrs. Potato Head, Barbie, Ken, and Slinky Dog. They are in a room with a checkered floor and a wooden archway in the background. A speech bubble from Woody contains the text: "The toys are looking at the space ranger. 'Hello!' he says. 'I'm Buzz. I'm a space ranger.'" data-bbox="0 0 1000 1000"/>

The toys are looking  
at the space ranger.  
"Hello!" he says. "I'm  
Buzz. I'm a space ranger."

Woody is angry. "You're not a space ranger. You're a toy!" he says.  
"But I'm NOT a toy!" Buzz answers.

Woody laughs at Buzz.  
He does not like the new toy.  
“You’re a toy, not a space ranger,” he says.

“Okay. What can you do?” Woody asks Buzz.  
“Show us!”

“I’m a space ranger and I can fly,” Buzz says.

**Buzz is flying high in the room.**

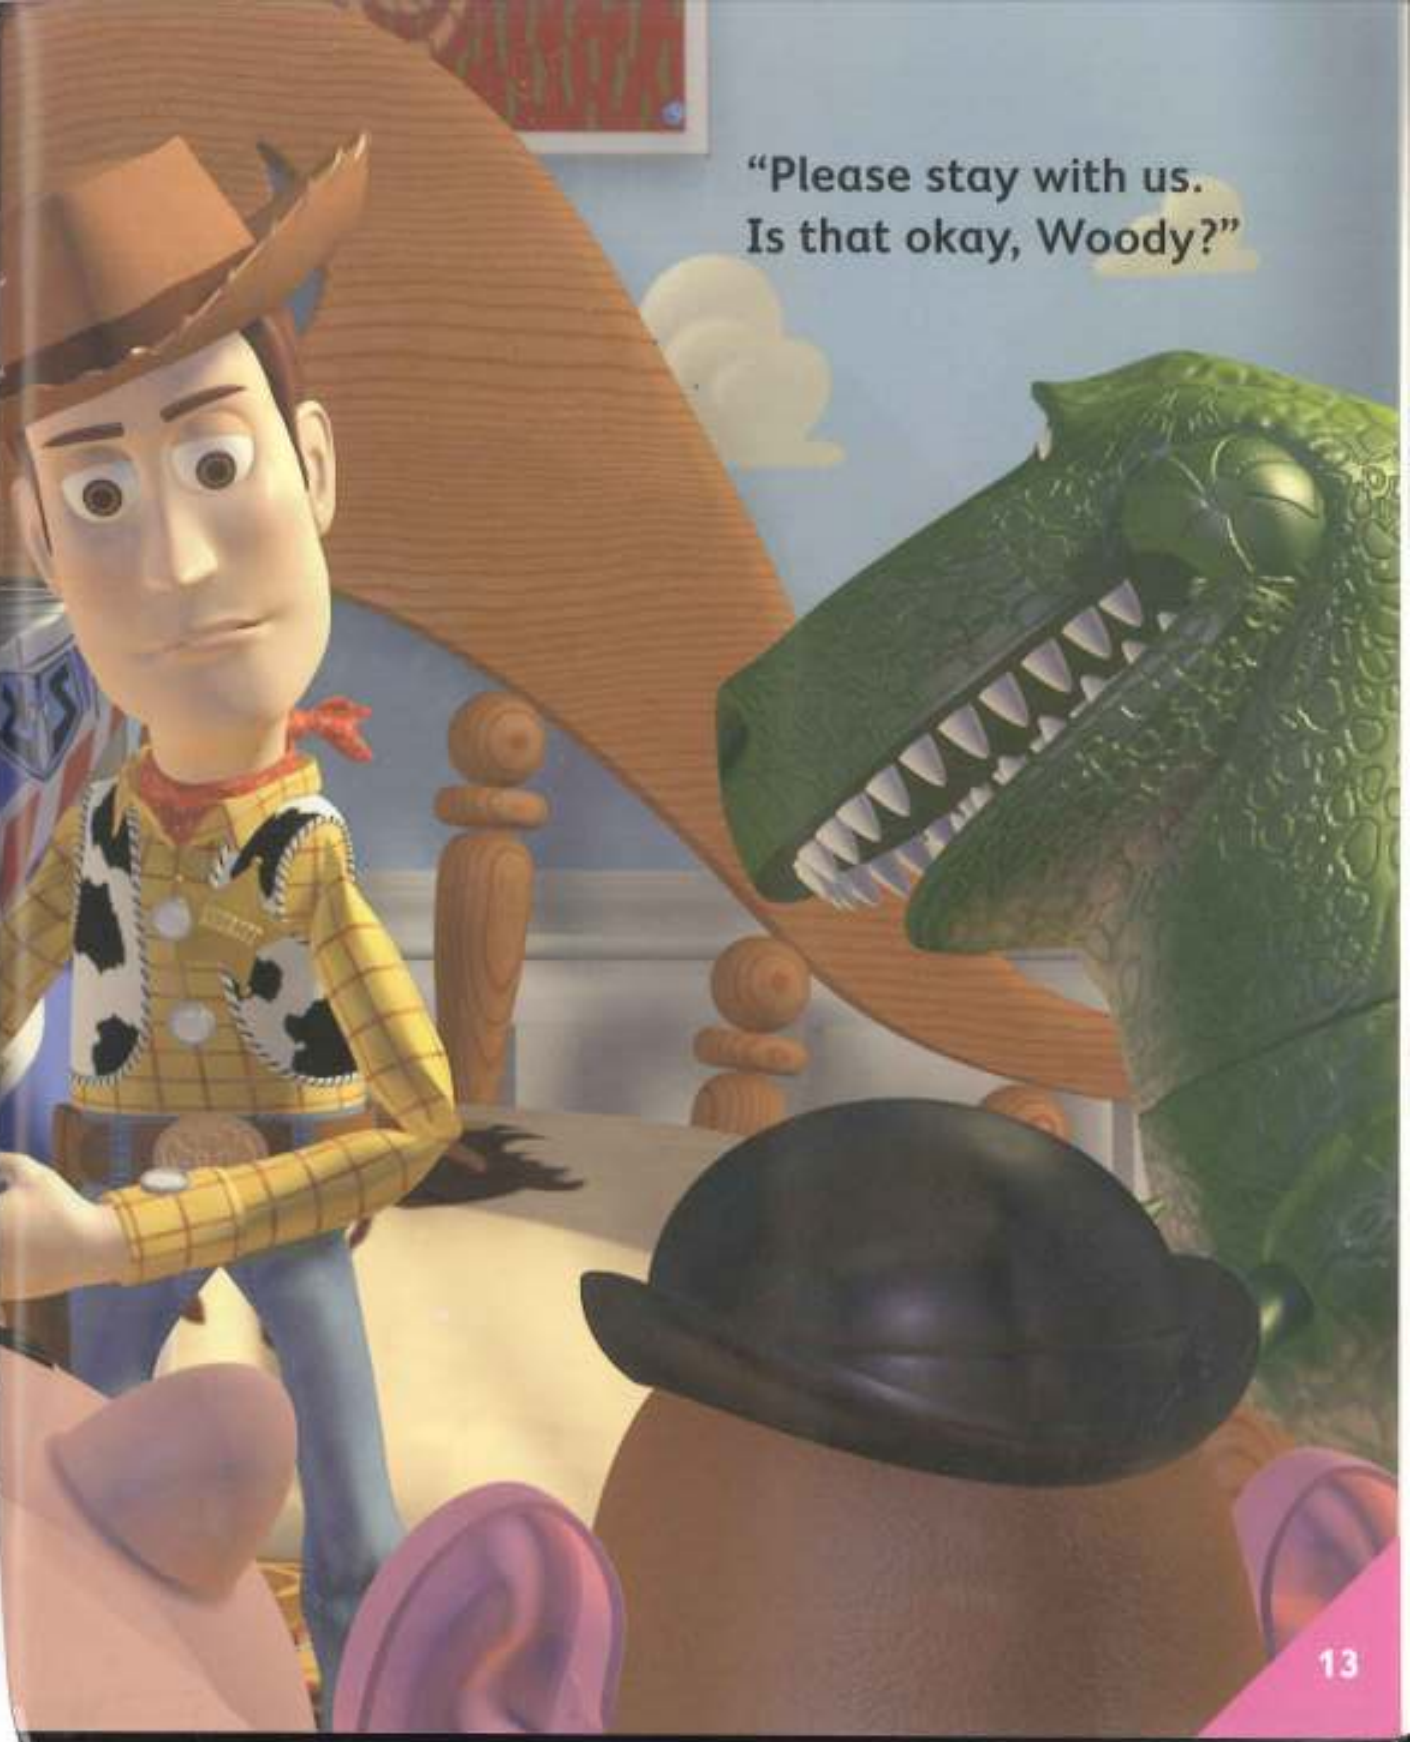

He is over the bed. He flies well and he flies fast.

The toys like the clever space ranger.  
"Buzz, we like you," they say.

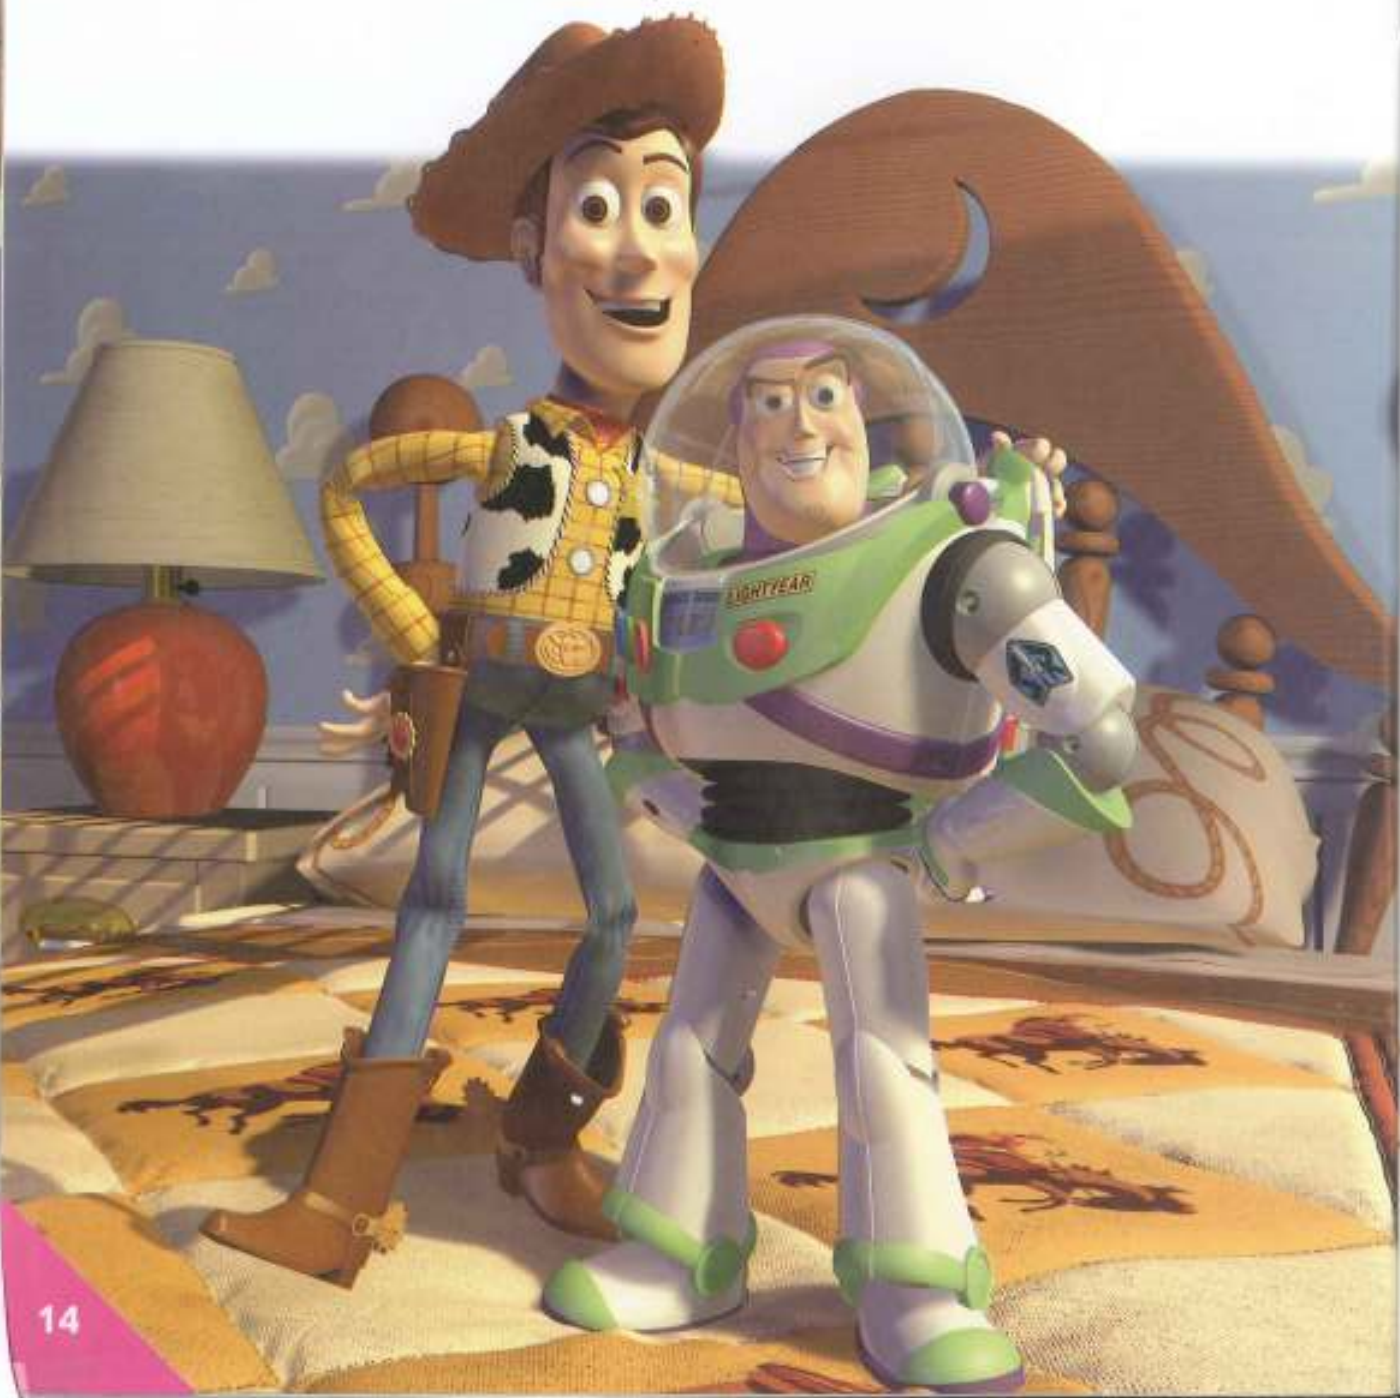

A 3D rendered scene from Toy Story. Woody, a cowboy doll, stands on the left wearing his signature yellow plaid shirt, blue jeans, and brown cowboy hat. He has a slightly nervous or pleading expression. On the right, Rex, a green dinosaur, is shown from the chest up, looking towards Woody with his mouth open, showing sharp teeth. The background features a wooden archway and a blue sky with white clouds. In the foreground, the back of a person's head wearing a black bowler hat is visible, suggesting they are observing the interaction.

**“Please stay with us.  
Is that okay, Woody?”**

And then, after a long time, Buzz and Woody are good friends!
